

MONDAY 23

TUESDAY 24

WEDNESDAY 26

THURSDAY 26

09:00	Undergraduate Introductory Course to Research in Biochemistry and Molecular Biology Meeting of coordinators of undergraduate and postgraduate studies in Biochemistry, Biotechnology and Biomedicine	Symposium 1.1 "New challenges in Structural Biology: the role of X-ray crystallography"	Symposium 2.1 "Gene Regulation and Morphological Evolution"	Symposium 3.1 "Autophagy, metabolism and cell fate"	Symposium 1.2 "New Perspectives on ductile proteins"	Symposium 2.2 "Photopharmacology"	Symposium 3.2 "Synaptic defects in brain diseases"	Symposium 1.3 "Bacterial secretion systems: towards the assembly mechanism"	Symposium 2.3 "Nuclear receptors and their coregulators in health and disease"	Symposium 3.3 "Mitochondria in Health and Disease"	
09:30		Teaching Biochemistry Emerging Scientist Group	Commercial exhibition PORTERS and coffee break	Commercial exhibition PORTERS and coffee break	Commercial exhibition PORTERS and coffee break	Commercial exhibition PORTERS and coffee break	Commercial exhibition PORTERS and coffee break	Commercial exhibition PORTERS and coffee break	Commercial exhibition PORTERS and coffee break	Commercial exhibition PORTERS and coffee break	Round Table: Science, Society and Communication
10:00											
10:30			Opening Ceremony Opening Lecture Fundación Ramon Areces Jules Hoffmann Welcome reception	Margarita Lorenzo Award	Fisher SEBBM Lecture	Awards					
11:00				L'Oreal-UNESCO for Women in Science Plenary Lecture: Juleen Zierath	SPB Young Investigator Award	Closing Lecture - Fundación BBVA: Carlos Bustamante					
11:30					Young Scientists Plenary Session SEBBM Biotoools Lecture Maurice Nicloux Award Lecture						
12:00				REGISTRATION	Commercial exhibition, POSTERS and lunch	Commercial exhibition, POSTERS and lunch	Closing Ceremony				
12:30											
13:00					Niemeyer Plenary Lecture	Leloir Plenary Lecture: Pablo Wappner					
13:30					WORKING GROUPS meetings	WORKING GROUPS meetings					
14:00											
14:30					Poster party	Entrepreneurship Forum	Poster party	Turing R&D Into Innovation			
15:00											
15:30	DINNER										
16:00											
16:30											
17:00											
17:30											
18:00											
18:30											
19:00											
19:30											
20:00											
20:30											
21:00
